

OZ GOES POP!

THE GREAT SONGS THAT SHAPED AUSTRALIA!

Seasoned singer / guitarist Alex Kyle presents
"OZ GOES POP! The Songs That Shaped Australia".

This Australia Day weekend treat your venue to all the Aussie Classics you know & love to sing along to!

This show can be performed as TWO separate shows - depending on the needs of the client.

SHOW 1: All the Aussie Pop / Rock / Pub songs that you love, featuring classics from the 1960s to current chart toppers! Artists such as Cold Chisel, Australian Crawl, Daddy Cool, Midnight Oil, Paul Kelly, Mental As Anything, The Sunnyboys, Hoodoo Gurus, Russell Morris, Billy Thorpe, etc, etc, etc... need I say more?

SHOW 2: For an older clientele, this show contains many sing-a-long Australian classics such as "Click Go The Shears" and "Waltzing Matilda". It covers such artists as Slim Dusty, John Williamson and the rather cheeky Rolf Harris!

Contact me now for a more detailed song list.

These shows can also be extended to include a second singer, either male or female.

Whatever your Australia Day needs, we're happy to say,
"You Beauty, Mate!"
