

Alex Kyle's...

Who said country music can't be fun?
In this entertaining and interactive show,
Alex "Big Hoss" Kyle proves otherwise.

This is the kind of country music where the
bloke's wife comes back, his dog is alive and
well and his pick-up truck wasn't stolen; it
was just being taken out to get washed!

Featuring the music of Johnny Cash,
Hank Williams, Kenny Rogers,
John Denver and many more!
